

Ponderosa Pine

Pinus ponderosa

Fast Growing, Shelter Planting

Large fast growing pyramidal ever-green is an excellent choice for large landscapes. Long dark green needles in bunches of three. Cinnamon-brown bark stands out as lower branches are removed as the tree matures. Used effectively as windbreaks or in shelter-belt plantings. Seed grown.

Zone	4
Height	15m / 50 ft
Spread	6m / 20 ft
Shape	Pyramidal rounded
